Profile

Hi! I am a senior designer and illustrator with over 13 years of experience in the market. I have worked with renowned brands such as Adidas, Heineken Group, Mr. Cheney, and P&G on both offline and online projects.

My main focus is to create creative and impactful solutions that meet the needs of clients and the target audience. I use technical skills and a deep understanding of design to develop visually appealing and effective visual pieces.

I have experience in visual identity, graphic design, and art direction. I use tools like the Adobe Creative Suite to transform concepts and strategies into visually attractive projects.

Furthermore, I am a collaborative and motivated leader, capable of working in multidisciplinary teams and meeting challenging deadlines. I am seeking new challenges and projects that allow me to expand my creativity and contribute to the success of companies and brands. If you are looking for an experienced and passionate senior designer, I would love to connect with you.
